Board selects conference delegation

CITY CLERK Bud Bond gives oath of office to two new Executive Board members, Marilyn Walton and Leonard Baldwin, before Thursday's meeting.

The Model Cities Executive Board voted to send its entire regional delegation to the National Citizens Participation Council annual conference to be held in Washington, D.C., Sept. 22-26.

Final approval of the delegation will depend on how much money is available for travel. The delegates are Junior N.R. Ellis, Region Ten president and Executive Board chairman, Beulah Rankin, Ruth Daniels, and Helen Stafford.

Ellis said that Seattle citizens have been meeting and working on a plan for citizens participation in the State's new Department of Community Development. Along the same line of citizen participation plans, Ellis said that he had talked to the City Manager and that he will be meeting with the Mayor and manager in the future to discuss a future role for citizens participation in Tacoma government.

The board also welcomed two new members, Leonard Baldwin and Marilyn Walton. Both have been active in community affairs and told the board that they were honored to have the opportunity to serve on the Model Cities Executive Board.

Meditation 'of the scriptures'

We believe that the Holy Bible was written by men divinely inspired, and is a perfect treasure of heavenly instruction: that it has God for its author, salvation for its end, and truth without any mixture of error, for its matter; that it reveals the principles by which God will judge us and therefore is, and shall remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and opinions should be tried.

Build Your Future
BUY A HOME

The Department of Housing and Urban Development has many fine acquired homes throughout the Tacoma area, and all over western Washington. Some are nearly new. All are in good condition. All are reasonably priced, with low down payment.

As a homebuyer, you will realize several advantages: the interest you pay is wholly income tax deductible; you will soon build an equity in the value of your home...making your net worth grow; your home is your castle...yours to live in, in your own individual style.

HUD doesn't sell houses, so please don't call HUD for details. All sales are made through professional Real Estate brokers. Almost all licensed Real Estate brokers have complete lists of homes available. They will be glad to help you find the home suitable for you, and to answer all your questions. Call one today. Ask him about HUD availabilities.

Any real estate broker doing business with HUD will sell any HUD acquired property to prospective purchaser without regard to race, color, creed, or national origin. Noncompliance is a basis for precluding the firm doing business with HUD.

DIET

In cases where weight must be reduced, it is always wise to consult a physician. It is safe to say, however, that in both reducing and gaining diets, care should be taken to see that the full daily requirement of vitamins and minerals is met.

SPANISH RICE AND BEEF

4 slices bacon
1 medium onion, chopped
1½ lb ground beef
1½ teas. salt
1 no. 2½ tin tomatoes
3 cups uncooked rice
4½ teas. paprika

Cut slices of bacon into small pieces. Sauté bacon in skillet until done; remove from skillet and pour off the fat. Brown onion in remaining bacon fat; add ground beef and salt, and cook until beef is browned. Add tomatoes, cooked bacon and well washed rice and turn into a greased casserole. Cover and bake in a moderate oven (350° F) for 1½ hour, or until rice is tender. Add hot water if needed during cooking.
5 servings.

Dear Tac-Vac

by: Ted Jefferson

Dear TAC VAC:

Q--I am a World War II veteran. About 18 years ago I used my GI Bill loan guaranty to buy a home. The VA guaranteed $7500 of the loan. I read recently that now the VA guaranty is higher. Do I have more entitlement coming or has the statute of limitations expired?

A--VA currently guarantees up to 60 percent of a loan, with a $12,500 maximum. Since your loan guaranty was $7500. you are eligible to apply for an additional $5,000 in loan benefits. The GI deadline has been moved so there no longer is any cutoff date.

Q--I retired from military service in 1952, at the age of 44, and a year later accepted a civil service position where I've been employed since. When I retire next year after 20 years' civilian employment, may I also retain my military retired pay?

A--Yes, or you can combine the military and civilian service, give up the military retired pay, and receive a higher monthly retired payment from the Civil Service Commission.

Q--If I purchase a mobile home, and a lot to put it on, what rate of interest would I have to pay on a GI Bill loan?

A--The current interest rate which may be charged on a mobile home loan is 10.75 percent. However, that portion of a GI loan which pays for the site and site preparation may be assessed only 7 percent interest.
